Lossing's United States History!

Latest Subscription Edition Revised to Date 1910

A complete and fascinating narrative of our country's life from earliest times to the present day. Dr. Lossing was more than a historian, and he was more than an engaging writer, though to be sure, he was both of these. But he was also a great authority; a court of last resort for facts and data; and from his statements there is no appeal.

Broadway says: "He was the most conscientious and thorough writer of history that our country has produced."
